Reading on a small display. Rotate or enlarge the display until both the letters and their marks are easy to distinguish. Check whether the end of the line remains visible. Ask the learner to move to the following line without help. Adjust the zoom again if scrolling breaks their place.

Repairing a reading slip. Agree on a discreet signal that means pause and look again. **online Quran tuition UK** Let the learner return *quran classes for kids* to the start of the short unit rather than guess at several sounds in succession. Have the learner identify the point where the second reading changed. Leave technical correction to the tutor.

For the next session, keep one activity familiar and change the example in the other. This makes it easier to see which skill the learner can use independently.
