The Four Bonus Rounds Explained

The main allure of Crazy Time lies in its four bonus rounds. These mini-games provide the highest multipliers and the most aesthetically engaging gameplay.

1. Coin Flip

The easiest of the reward rounds. A coin with a red side and a blue side is flipped by a machine. Before the flip, random multipliers are appointed to each side. Whichever side lands face up awards the gamer that corresponding multiplier.

2. Cash Hunt

Players face an enormous screen showing 108 random multipliers hidden behind various shooting targets (like cacti, targets, and hats). Using a virtual cannon, the gamer selects one target, and the covert multiplier is exposed and used to their bet.

3. Pachinko

Inspired by the standard Japanese arcade game, a glowing puck is dropped from the top of a big board filled with pegs. The puck bounces down and lands in among the landing zones at the bottom, each featuring a multiplier. If it arrive on a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

This is the holy grail of the game. Players get in a virtual, surreal world behind a red door, welcomed by an even bigger giant wheel. Gamers need to choose among 3 flappers (Green, Blue, or Yellow). The wheel spins, and any place the selected flapper stops identifies the prize. Multipliers can reach up to **20,000 x**.

Top Betting Strategies for Crazy Time

While Crazy Time is basically a game of chance figured out by a physical wheel, gamers utilize various betting techniques to manage their bankroll and maximize their playtime. Here are three common methods:
