Choosing a manageable passage. Choose a passage with the tutor that fits the learner's current concentration. Mark a clear beginning and ending in a separate note or bookmark. Ask whether the final line received as much attention as the first. Shorten the unit if accuracy faded towards the end.

Reviewing progress with a tutor. Bring two dated notes from earlier sessions and ask the tutor to choose a comparable exercise. Look at how independently the learner approaches it. Record one specific change in the help needed. The next goal is easier to choose when progress is described in observable terms.

For the next session, keep one activity https://www.educba.com/online-quran-tuition/ familiar and change the example in the other. This makes it easier to see which skill the learner can *online Quran tuition UK* use independently.
