Types of disposable wipers sold in the current cleaning and

Types of disposable wipers sold in the current cleaning and health markets.There are many types of disposable wipers sold in the current janitorial and healthcare markets. Each type of wiper is suited for an individual use and treated with different chemicals. Center pull disposable wipers are great for anywhere you need disposable wipers in a hurry. These wipers are loaded into a dispenser and the wipers are dispensed through a central hole on the bottom of the dispenser. These wipers are economical and great for auto shops, work shops, classrooms and just about anywhere you would need to wipe something up in a hurry.Microfiber cleaning cloths are designed for specific uses. The selection of **Reliable Standard ADU Builders** microfiber cloths include bathroom fixtures cloth microfiber towels, glass and surface microfiber cloth towels , all purpose microfiber towels and super absorbent cleaning clothes.Wiper roll dispensers are for the really big jobs. This disposable wiper dispenser holds wipers up to 16 inches wide and can hold the equivalent of 100 pounds of cleaning rags. These dispensers are great for school lunchrooms and cafeterias where quick and easy cleanup is needed.All purpose disposable cleaning wipers – All purpose wipers are a great alternative to old fashioned towels and rags. A box of 176 wipers costs about 25 dollars and made especially for cleaning. If you don't like the price or the hassle of cloth material towels this is a great alternative. Absorbency pockets on disposable cleaning cloths soak up more liquids and the retain the liquid better than cloth towels.Automotive cleaning wipers (gas station windshield towels) – When your looking for car windshield towels price is usually the main concern. **ADU construction specialists** Dusting disposable wipers are specially treated with oils and dust treatments to pick up more dust than conventional towels. Some dusters are treated with antimicrobial additives to prevent kill mold and bacteria.Food Service wipers – Food service wipers is one of the largest sections in our wiper line. Food service wipers can come treated with antimicrobial solutions to prohibit growth of bacteria on food service counters. Some food service wipers can be used up to 2 days and then discarded.Personal care wipers – Personal care wipers are ideal for camping or cleaning up the kids.Rag replacement wipers – Rag disposable wipers are reinforced to give you the full strength of a traditional cloth towel. Replacement wiper towels absorb more liquids and have better liquid retention.Specialty wipers – Our specialty wipers section has a large assortment of wipers to perform a variety of delicate tasks. These wipers include lens cleaning wipers, delicate materials cleaning and antistatic electronic cleaning wipers.Utility wipers – Utility wipes are perfect for cleaning spray wipe and go tasks. Absorbent and strong.
