- **Lifestyle:** Bypassing complete queues with reserved slots saves time, specifically throughout peak gaming hours.

The Cons:

- **Pay-to-Win Concerns:** On specific badly handled servers, VIP benefits can cross the line into "pay-to-win"-- providing unreasonable advantages (like extra health or complimentary high-damage weapons) that ruin the

competitive stability of the mode.

- **Server Lifespan:** Community servers can close down all of a sudden due to absence of funding or declining gamer counts, suggesting your VIP membership might disappear if the neighborhood closes its doors.
- **Server Specific:** VIP status seldom moves in between various server neighborhoods. Purchasing VIP on Server A does not grant you benefits on Server B.
