The Top Slot: Amplifying Every Spin

Before every spin of the primary wheel, a two-reel **Top Slot** spins all at once above the game area.

- **Reel 1** screens a bet area (either a number or a perk round).
- **Reel 2** displays a multiplier (ranging from 2x up to 50x).

If the bet spot and the multiplier align horizontally in the Top Slot, a multiplier is applied to that specific result for the upcoming spin. If the primary wheel arrive on that winning segment, all payments for that segment are increased by the Top Slot multiplier. In reward rounds, this can result in astronomical wins.

The Four Extravagant Bonus Rounds

The piece de resistance of the Crazy Time gambling establishment video game is its 4 bonus rounds. Players should position a bet on the specific perk sector to get involved, though anybody can enjoy the action unfold.

1. Coin Flip

This is the most basic and most frequent perk round.

- **The Setup:** An easy coin with a red side and a blue side is put on a mechanical flipper.
- **The Action:** Each side of the coin is randomly designated a multiplier before the flip. The host presses a button, the coin flips, and whichever side lands face-up identifies the gamer's multiplier payout.

2. Money Hunt

Step right approximately an enormous virtual shooting gallery.

- **The Setup:** A screen shows 108 random multipliers hidden behind different shooting gallery targets (such as a cactus, a target, or a chef's hat).
- **The Action:** Players are provided a brief countdown to aim and fire a virtual cannon at a target of their choice. When the timer expires, all targets expose their covert multipliers, and the gamer is granted whatever multiplier their selected target concealed.

3. Pachinko

Influenced by the conventional Japanese arcade game, Pachinko is everything about gravity and anticipation.

- **The Setup:** A big Pachinko wall filled with a grid of physical pegs is shown on screen. At the bottom are multiple landing zones, each featuring a multiplier.
- **The Action:** The video game host drops a glowing puck from the top of the board. As the puck bounces arbitrarily down through the pegs, it ultimately settles into among the bottom multiplier zones. If the puck arrive at a "DOUBLE" zone, all the bottom multipliers double, and the host drops the puck again for even larger wins.

4. Crazy Time

The holy grail of the video game. Striking this single segment on the wheel carries the player behind a red door into a surreal, whimsical virtual world.

- **The Setup:** Behind the door lies a colossal virtual wheel featuring 64 sections loaded with huge multipliers and "DOUBLE" or "TRIPLE" sections. Three flappers (Green, Blue, and Yellow) sit at the top of the wheel.
- **The Action:** The player picks one of the three flappers before the wheel spins. When the wheel stops, the gamer wins the multiplier suggested by their chosen flapper. If it lands on a "DOUBLE" or "TRIPLE," the wheel spins once again, and all multipliers on the board are increased accordingly, up to a maximum cap of 20,000 x.

Tips and Strategies for Playing Crazy Time

While Crazy Time is a video game of pure opportunity governed by a Random Number Generator (RNG) and physical wheel mechanics, players often use specific bankroll management techniques to maximize their [free crazy time](#) playtime and satisfaction.

- **Cover the Board (The Conservative Approach):** Some players like to place little bets across multiple numbers and bonus rounds to guarantee they hit something on nearly every spin, sustaining their bankroll.
- **Reward Chasing (The High-Risk Approach):** Because the enormous payments live inside the four bonus rounds, lots of experienced players exclusively bet on the perk segments (Coin Flip, Cash Hunt, Pachinko, Crazy Time) while ignoring the lower number bets. This method brings greater volatility and longer droughts, however uses optimum excitement.
- **Handle Your Bankroll:** Always set a spending plan before playing. Live game shows relocation quickly, and it is easy to get caught up in the hectic entertainment. Decide on session limits and stick to them.
