Buying Used Bathroom Vanities

It is unarguable that bathroom vanity cabinets are an essential part to any bathroom. Unfortunately, many have shied away from purchasing the vanity of their dreams. Why? Well, because bathroom vanity cabinets have become quite costly. Fortunately, there is an alternative option for those looking to purchase the vanity of there dreams on a budget. Welcome to the world of used bathroom vanities.Used bathroom vanity cabinets can cost almost half of what new ones do. This is a big plus side considering that many of us simply dont have the money to splurge on a new one. Whats more is that one can purchase a very high-end vanity at half the cost. Used vanities tend to have little if no cosmetic problems thus they are a true bargain. So where exactly can you go to purchase a used bathroom vanity cabinet? A good place to start is the internet. Head over to your favorite online classifieds site and do a search for vanities. Some of the more popular classified sites include Craigslist and Recycler.com. When you search on the site, youre bound to come across numerous people selling their vanities. We recommend sifting through the results at a slow pace and being vigilant in trying to spot one thats truly jaw-dropping.When you find one that fits your likes and budget, contact the owner and Standard ADU builders setup a meeting. You need to see the vanity in person before shelling out any cash. Once the meetings said and done and youre satisfied with the vanity, go ahead and purchase it. A quick word of warning, when youre shopping for a used vanity online be sure to push for a live meeting with owner. The last thing you want is to get scammed for several hundred dollars because you werent careful. Good luck and happy vanity shopping!
