For those curious about why this virtual plane has caught the hearts of Kenyan punters, this extensive guide explores how the game works, methods players use, and how to enjoy it responsibly.

What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer game belonging to the "crash game" category. Unlike traditional slot makers with spinning reels or table games with complex rules, Aviator is built around an increasing curve that can crash at any time.

The property is straightforward:

1. **An aircraft takes off**, and with it, a multiplier coefficient starts to increase.
2. **Gamers put a couple of bets** before the round begins.
3. **The goal is to cash out** before the lucky plane flies away (crashes).
4. If a gamer cashes out in time, they win their stake increased by the current coefficient. If the airplane flies away before they squander, the bet is lost.

This mix of timing, psychology, and risk management has made it a staple throughout nearly every major wagering site in Kenya.
