Often Asked Questions (FAQ)

1. Do I require CS: GO/CS2 Prime Status to get free cases?

Yes. To be qualified for weekly case drops and product drops, your Steam account must have Prime Status. Non-prime accounts do not get random item drops or profile XP benefits that set off the weekly care bundle.

2. The number of complimentary cases can I get weekly?

Normally, players are limited to **one case drop weekly**, gotten upon leveling up your profile for the very first time that week. Nevertheless, unusual random drops can occasionally occur at the end of a match, though this is statistically uncommon.

3. Should I open the complimentary cases I receive, or sell them?

From a mathematical perspective, **offering your cases on the Steam Market is almost always more successful.** Case openings have an infamously low return rate for rare products like knives or concealed skins. Offering cases assures you steady Steam wallet funds, which you can use to buy the precise skins you want.

4. Can I still get terminated cases free of charge?

Yes. Although cases in the unusual drop swimming pool no longer drop regularly, there is still a tiny opportunity (around 1%) to receive one at the end of a competitive or casual match, supplied you have Prime Status.

5. Are external "complimentary case generator" apps legit?

No. There is no software application, code, or application that can generate free cases or products outside of the official game customer. Any site declaring to offer a "case generator" is a scam developed to steal your Steam qualifications.
