Administered by Pearson PLC, the PTE Academic is a computer-based English language test accepted by thousands of universities, colleges, and federal governments around the world (including Australia, the UK, New Zealand, and Canada). It evaluates 4 core language skills:

- Reading
- Composing
- Listening
- Speaking

2. **The Pitch:** They declare to have direct access to the Pearson database or experts who can bypass the exam center protocols.
3. **The Payment:** They demand payment upfront through cryptocurrency, wire transfer, or untraceable digital wallets.
4. **The Ghosting (or Fake Delivery):** Once the cash is sent, the scammers either disappear entirely, or they send a poorly Photoshopped PDF document that appears like a rating report.

Using a fake certificate results in immediate visa refusal. In addition, if the scams is found after a visa is approved, it can lead to visa cancellation, detention, and deportation.
- **Academic Expulsion:** If a university finds deceptive English test scores after admission, the student faces immediate expulsion and the withdrawing of any made credits or degrees.
