FAQ About Dumpster Rental

What is the average cost of dumpster rental in Boston?

The average cost of dumpster rental in Boston typically ranges from $300 to $600 for a week, depending on the size of the dumpster and the type of waste being disposed of. Additional fees may apply for exceeding weight limits or extended rental periods.

How long can I keep a dumpster rental?

Generally, dumpster rentals in Boston can be kept for 7 to 14 days. However, specific rental terms may vary by company, and it's advisable to check the rental agreement for details on extensions or extra charges for longer use.

What size dumpster do I need for a home renovation?

For a home renovation in Boston, a 10 to 20 yard dumpster is commonly recommended. A 10 yard is ideal for small projects, while a 20 yard is better for larger renovations or multiple rooms, as it accommodates more debris.

What items are prohibited in dumpster rentals?

In Boston, prohibited items in dumpster rentals often include hazardous materials like paint, chemicals, batteries, and tires. Additionally, appliances containing refrigerants and electronics are usually not permitted, so it's best to check with your rental company.

How do I choose a dumpster rental company in Boston?

To choose a dumpster rental company in Boston, consider factors like pricing, customer reviews, size and availability of dumpsters, and their recycling practices. Getting quotes from multiple providers can also help ensure

you get the best deal.

Choosing the Right Dumpster Size

When it comes to dumpster rental in Boston, selecting the right size is crucial. Home Plate Dumpster Rental offers various sizes ranging from 10 to 40 yards, allowing you the flexibility to choose based on your trash volume. A 10-yard dumpster is ideal for small cleanouts or minor renovations, while a larger 30 or 40-yard dumpster is suitable for construction projects or large-scale cleanouts. Understanding what you will involve helps to facilitate the process and can cut you money in the long run.

Diverse Applications for Dumpster Rentals

Each project, whether it's a home renovation, spring cleaning, or a corporate event, has unique waste disposal needs. This is where Home Plate Dumpster Rental shines, providing tailored solutions that address specific project demands. From yard waste to old furniture and heavy construction materials, Dumpster Rental Boston MA can handle it all. As a local company, we know the common types of waste generated in the area and can help you figure out the best approach for your removal requirements.
