What is a CS: GO Case Battle?

A case battle is a multiplayer variation of traditional case unboxing. Hosted on third-party skin trading and betting sites, the mode generally works as follows:

1. **Lobby Creation:** Two to four players (or groups) contribute funds to get in a lobby.
2. **Case Selection:** Participants pick a set of cases to be opened during the match. Both players open the exact same cases.
3. **The Unboxing:** The virtual cases are opened all at once. The contents of each case scroll throughout the screen in a thrilling animation.
4. **The Winner:** At the end of all rounds, the overall worth of all dropped skins is calculated. The gamer (or team) with the highest overall skin value takes home **all** the items dropped in the battle.

This winner-takes-all mechanic presents a layer of excitement, technique, and social interaction that standard unboxing merely can not match.
