One of the biggest frustrations with dumpster rentals is unclear costs or hidden fees. D.E.M.M. DUMPSTERS LLC prides itself on transparent pricing so you know exactly what you're paying up front.

10 Yard Dumpster Pricing Example

Rental Period Price 3 days \$349 7 days \$399 14 days \$469

These fixed prices cover the dumpster drop-off, pickup, standard disposal up to included weight limits, and local taxes. That means no surprise fees unless you exceed the included weight allowance.

Included Tons and Overage Cost Explained

Every dumpster rental includes a weight limit, or "tons," which is factored into your rental price. For example, your 10-yard dumpster price includes a certain number of tons of debris disposal.

If you go over the included weight, an overage fee per pound applies. D.E.M.M. DUMPSTERS LLC provides clear upfront demmdumpsters.com information about these limits so you can plan accordingly and avoid unexpected charges.

Tips to Control Dumpsters Costs:

- Choose the right size dumpster.
- Keep heavy materials like concrete and dirt to a minimum or spread them evenly.
- Ask the team about your specific debris type's disposal fees.

Same-Day or Next-Day Delivery – Keeping Your Project On Schedule
