FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For home renovations in Phoenix, a 10 to 20-yard dumpster is typically recommended. A 10-yard dumpster can hold about three pickup truck loads, while a 20-yard dumpster can handle about six pickup loads, making them ideal for medium to large projects.

How long can I keep a rented dumpster?

Most companies in Phoenix allow you to rent a dumpster for a period ranging from 5 to 14 days. However, extensions can often be arranged if you need additional time, usually for an extra fee.

What items are prohibited in dumpster rentals?

In Phoenix, prohibited items usually include hazardous waste, electronics, tires, and certain appliances. It's important to check with the rental company for a complete list of prohibited items to avoid extra fees.

Do I need a permit for a dumpster rental in Phoenix?

In Phoenix, a permit may be required if the dumpster will be placed on a public street or sidewalk. It's best to consult with your rental company or the city to determine if you need a permit for your specific situation.

The Benefits of Choosing Local Providers

When it comes to Phoenix AZ dumpster rental, choosing a local provider like Prairie Dumpster Rental offers numerous benefits. Our knowledge with the local community allows us to deliver valuable insights into local regulations and disposal guidelines, ensuring that your waste is processed responsibly. Additionally, by supporting local businesses, you contribute to the local economy, and you often receive a more personalized touch in service, which can make all the difference in ensuring your project runs smoothly.
