The Secret Sauce: The Top Slot

Before every spin of the main wheel, a two-reel **Top Slot** spins concurrently above the primary video game view.

- Reel 1 displays among the wagering sectors (a number or a reward video game).
- Reel 2 displays a multiplier (varying from 2x as much as 50x).

If the horizontal reels align to form a match between the bet sector and the multiplier, that multiplier is used to that specific sector for the upcoming spin. If the wheel arrive at that section and activates a win (or a benefit round), all payments or reward multipliers are quickly increased by that worth. This is where Crazy Time really measures up to its name, permitting huge payments on even the smallest bets.

Dive Into the Four Crazy Time Bonus Rounds

The primary reason gamers flock to Crazy Time is the 4 **Crazy Time Games** interactive bonus offer video games. When the wheel stops on a bonus offer section, gamers who placed a bet on that section are transferred from the primary studio into a sensational augmented-reality mini-game.

1. Coin Flip

- **Frequency:** 4 sectors on the wheel
- **Gameplay:** A simple heads-or-tails game. The host presses a button to flip a coin that has a red side and a blue side. Each side is assigned a random multiplier before the flip. Whichever color lands deal with up wins for the gamers. If the multipliers are low, a "Rescue Flip" may occasionally be set off.

2. Money Hunt

- **Frequency:** 2 sectors on the wheel
- **Gameplay:** Players deal with a massive screen including a shooting gallery filled with 108 random multipliers concealed behind different signs (such as a cactus, target, or chef's hat). A countdown begins, and players must utilize their cursor (or touchscreen) to intend and fire at the symbol they believe hides the greatest multiplier. When the timer goes out, all players see what lagged their picked target.

3. Pachinko

- **Frequency:** 2 sectors on the wheel
- **Gameplay:** Inspired by the standard Japanese arcade video game, Pachinko features an enormous wall filled with physical pegs. The host drops a radiant puck from the top, and it bounces arbitrarily down the board until it lands in among the multiplier slots at the bottom.
- **Special Feature:** If the puck lands in a **"DOUBLE"** slot, all multipliers at the bottom of the wall double, and the host drops the puck once again, escalating the possible wins quickly.

4. Crazy Time

- **Frequency:** 1 section on the wheel
- **Gameplay:** The holy grail of the game. The host opens a red door, strolling the player through a surreal, Alice in Wonderland-style virtual world including a gigantic 64-segment wheel.
- **How to Play:** Players choose among 3 flappers (Green, Blue, or Yellow). The wheel is spun, and whatever multiplier the picked flapper points to is granted. Simply like Pachinko, this wheel consists of **"DOUBLE"** and

"TRIPLE" segments, which can push the maximum possible multiplier as much as a shocking 20,000 x!

Tips and Strategies for Playing Crazy Time

While Crazy Time is a video game of pure chance governed by a random number generator (RNG) and physical physics, players often utilize particular bankroll management techniques to optimize their playtime and pleasure.

- **Cover All Bases:** Some players like to place small bets on all 4 perk rounds along with a number bet. This guarantees that whenever a perk round hits, they are ensured to get involved, though it needs a larger bankroll.
- **The Low-Risk Approach:** Betting mainly on numbers like 1 and 2 permits gamers to stretch their spending plan, yielding regular little wins that keep the balance stable while awaiting a reward round.
- **The High-Volatility Approach:** Focusing strictly on the bonus offer rounds (Cash Hunt, Pachinko, Crazy Time) is a high-risk, high-reward method. You will experience longer dry spells, but when a bonus offer strikes, the payouts are significantly higher.
- **Bankroll Management is Key:** Because of the busy nature of live video game programs, it is really simple to lose track of money and time. Always set a strict budget plan before visiting and never ever chase losses.
