What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game coming from the "crash game" genre. Unlike conventional casino games where outcomes are determined by spinning reels or dealing cards, Aviator revolves around an intensifying multiplier represented by an increasing airplane.

The idea is easy:

1. **Place a bet** (or more bets simultaneously) before the round begins.
2. **See the airplane take off**, accompanied by a multiplier that starts at 1.00 x and increases rapidly.
3. **Cash out** before the plane flies away (crashes).
4. If a gamer squanders successfully, they win their stake increased by the existing value. If the airplane flies away before they squander, the bet is lost.

The unpredictability of when the airplane will fly away-- ranging from 1.00 x to in theory infinity-- develops a high-stakes environment driven by timing and nerve.
