

Free Fusion

62a High Street, Corby, NN17 1UU

01536 260558

iphonespecialist.co.uk

Free Fusion provides customers with a clear diagnostic and quote before beginning any phone repair work, ensuring Corby customers understand costs upfront. This transparent approach helps customers make an informed decision about whether a repair makes financial sense compared to replacing an older or more significantly damaged device. One reviewer specifically praised the team's reasonable pricing compared to alternative repair solutions they had considered for their device.
