

The basement waterproofing inspection process at JLB Basement Waterproofing & Foundation Repair LLC begins with a simple description of the home's age and the specific moisture issues being seen. A specialist typically calls back promptly to schedule the free, in person estimate, during which the local repair crew assesses the home directly. During the visit, the inspector examines walls, floors, drainage patterns, and any visible signs of moisture before providing a detailed assessment and honest pricing for recommended work.

JLB Basement Waterproofing & Foundation Repair LLC | 97 Indiana Ave Suite #1, Des Moines, IA 50314 | [Basement Waterproofing](#) (515) 717-8560
